## [COMPANY X] Equal Opportunities Policy

We are committed to promoting equality of opportunity for all staff and job applicants. We aim to create a working environment in which all individuals are able to make best use of their skills, free from discrimination or harassment, and in which all decisions are based on merit.

We do not discriminate against staff on the basis of age, disability, gender reassignment, marital or civil partner status, pregnancy or maternity, race, colour, nationality, ethnic or national origin, religion or belief, sex or sexual orientation (**protected characteristics**).

The principles of non-discrimination and equality of opportunity also apply to the way in which staff treat visitors, clients, customers, suppliers and former staff members.

All staff have a duty to act in accordance with this policy and treat colleagues with dignity at all times, and not to discriminate against or harass other members of staff, regardless of their status. Your attention is drawn to our separate Anti-harassment and bullying policy.

### Equal Opportunities Training

Managers will be given appropriate training on equal opportunities awareness and equal opportunities recruitment and selection best practice. Human Resources has overall responsibility for equal opportunities training.

If you are involved in management or recruitment, or if you have any questions about the content or application of this policy, you should contact Human Resource to request training or further information.

### Scope and Purpose of the Policy

This policy applies to all aspects of our relationship with staff and to relations between staff members at all levels. This includes job advertisements, recruitment and selection, training and development, opportunities for promotion, conditions of service, pay and benefits, conduct at work, disciplinary and grievance procedures, and termination of employment.

We will take appropriate steps to accommodate the requirements of different religions, cultures, and domestic responsibilities.
